

Green 10 point plan for Brent

1. Put a stop to the closure of our police stations & hospital wards.
2. Have libraries and post offices within walking distance for all.
3. Scrap new road building and switch funds to public transport, cycling and pavement repair.
4. Stop the back-door privatisation of our schools, promote safe routes, and put healthy food on our children's plates.
5. Promote local youth clubs and community spaces both in their own right and to reverse some of the causes of anti-social behaviour and crime.
6. Protect our local heritage, green space and wildlife from unsustainable development.
7. Enforce energy efficiency for new buildings and invest in 10,000 solar roofs for Brent.
8. Promote fair trade goods in local shops, and quality, wholesome produce in farmers' markets.
9. Run social services and housing to ensure equal access for those in most need.
10. Return local democracy to the streets by fostering genuine participation in decisions that affect our everyday lives.

For public services, environmental care and local communities - Vote Green on 4th May
